## **SPECIALIZED REPORTS AND INSPECTIONS**

### **POOLS AND SPAS**

- ✓ Pool & Equipment Specifications & Observations
- ✓ List of equipment how and if it functions properly–We test it all
- ✓ Safety suggestions and Adherence to Code Requirements

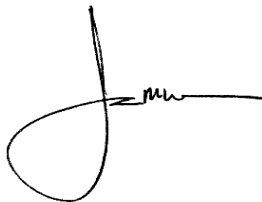

- ✓ Professional Repair Suggestions with Budgets to make repairs or replacements (“Hire ECI for all the repairs and the inspection fee is credited back”)
- ✓ Deck and Decco-seal inspection and much, much more!

**Fees vary based on size of system, complexity and geographical location \$595.-1,295. \*Most reports Ventura to LA are \$595-\$995.**

- Return inspection report normal time frame is 48-72 hours.
- *Expediting is available within 24 hours at an additional cost of \$150.\**
- Leak determination for underground pipes is based on pools conditions. Actual leak test can be arranged for an additional fee and may be suggested depending on the inspection days findings.

**We look forward to offering you and your clients the most comprehensive and finest Specialized Pool and Spa report available in the industry!**

**Sincerely,**

**Jason M. Warren, CEO**
